Learning to identify common butterflies of our area is only one aspect of the Austin Butterfly Forum's Annual Butterfly Workshop, held from 10:00 a.m. to 4:00 p.m. on Saturday, May 6, 2017 at the Zilker Botanical Garden Center. Topics will cover caterpillar food plants, how to raise caterpillars, and watch metamorphosis at home, strategies for caterpillar survival and identification, as well as books and resources about this rapidly growing hobby. The workshop will include a light lunch and a walk to identify butterflies in the Zilker Botanical Garden.

To register, please contact Jeff Taylor at 512-255-0368 or [kscjtaylor@prodigy.net](mailto:kscjtaylor@prodigy.net) .

Fee for the workshop is **\$35.00** with a **light lunch provided**.
