Walk of Friends

Help build a pathway to a bright future for Zilker Botanical Garden! By purchasing an inscribed brick on the Walk of Friends, you can honor someone important in your life or commemorate a special event.

Bricks are available for \$100 (4' x 8") or \$500.00 (8" x 8"). Your inscription might be your name and message or a tribute to someone you cherish. The bricks are also an excellent way to honor a family member, friend or gardener who has mentored you.

Your brick will be placed in the Walk of Friends, which curves through the tranquil and beautiful Rose Garden. This beautiful walk complements the gardens and is a place for meditation and reflection.

Your contribution will support the Austin Area Garden Center, Inc.'s projects in the gardens. Zilker Botanical Garden annually entertains and inspires 450,000 visitors, including thousands of school children. Nestled in the heart of Austin, the beautiful gardens offer horticulture, waterfalls, wildlife, and nature trails.

Maintenance and expansion funding of Zilker Botanical Garden is provided by the City of Austin, the Austin Area Garden Center, Inc. and private donations.
