

Sharon Lovejoy: Finding Wonder In Organic Gardening

DATE: Monday, November 9th, 2020 TIME: 6 p.m. CST LOCATION: [Online](#)

Join Austin Organic Gardeners as we continue to celebrate our 75th Anniversary with award winning author and illustrator Sharon Lovejoy. She inspires adults and future gardeners alike to tune into the natural world. She has written a number of books, including *Trowel & Error: Over 700 Organic Remedies, Shortcuts & Tips for the Gardener*, *A Blessing of Toads: A Gardeners Guide to Living with Nature*, and *Roots, Shoots, Buckets & Boots*. Sharon has been a guest on *Central Texas Gardener* on KLRU, *Today* on NBC, *The Victory Garden* on PBS, numerous shows on HGTV and The Discovery Channel. She was a contributor editor with *Country Living Gardener* magazine with a regular feature column named "Heart's Ease" after the organic herb and garden shop she founded in 1982. She divides her time between homes in Maine and California, and we are thrilled that she will be joining us online as we continue to learn and inspire future gardeners.
