This quarterly report shows both an increase in clubs reporting volunteer hours and an increase in the number of hours. These are both good signs that things are getting back to normal. In addition to the ongoing impact of the pandemic, this quarter also had one of the worst storms in Austin history - which severely affected gardens at Zilker and in members yards. 23 of the 30 clubs reported 3266 hours, an increase of 205 hours from Oct-Dec. Educational programming and efforts to promote those programs once again leads with 1045 hours. Garden maintenance follows at 969.50, and reflects efforts to clear damaged plants, restore beds, mend fences, and save fish! Seven clubs reported no volunteer activity, many indicating this was due to the ongoing pandemic. Note: Executive Committee hours are for officers whose time is not affiliated to any one club, but is in service to AAGC, its members clubs, the Conservancy and Zilker Garden.
