This report is the last one of the FY 2021 Fiscal Year, and the last quarter in which activities at the Garden were under COVID restrictions. That and the usual summer break meant some clubs had not met since June, so had no volunteer hours for educational programming or garden horticulture. 19 of our 29 clubs reported 3,314.75 hours for July to Sept, compared to 3,654 in third quarter. Club efforts in the garden and its botanical resources accounted for 1,420.50 hours, above the 1,059 last quarter. Efforts to provide educational programming and publicize it on the ZBG website and other venues accounted for 860 hours, down from 1585 last quarter. Special activities include work on ZBGC committees for programming, and the collaborative effort with ZBGC public relations to enhance the ZBG website with AAGC Club Web Pages. Executive Committee hours are for officers whose time is not affiliated to any one club, but is in service to AAGC, its members clubs, ZBGC and Zilker Botanical Garden.
