

Van & Bus

Drop Off/Pick Up and Parking

Vans and Buses can proceed through our main gate at 2220 Barton Springs Rd. Proceed to the bright green kiosk for information on the drop-off location. (See **Figure 1**). If the group is having lunch in the garden, they will be directed to the back of the top lot by our hummingbird garden for drop off. If the group is not having lunch in the garden, then they will drop-off by the Flag Poles in front of the Garden Center.

Vans & buses can park in the back of the main lot if space permits, but will be redirected to park in the Stratford Parking Lot if necessary. The Stratford lot can be accessed by driving down Barton Springs Rd, passing under MOPAC, making a U-Turn at Bee Cave Road then continuing onto Barton Springs Rd until Stratford Drive. Turn left onto Stratford and Park in the large lot on the right. (See **Figure 2**)
