

# Self-Led and Docent-Led Tour

## Drop-Off/Pick-Up/Parking Instructions

All self-led and docent-led tour groups will be asked to park in the Stratford lot at **2300 Stratford Drive, Austin, TX**. This will serve as the drop-off and pick-up location unless otherwise specified by the Education Director. Garden staff will greet you at the Botanical Gates of Paradise at the start of your scheduled tour. Vehicles can remain parked in the Stratford lot during the duration of your stay at the Garden. For groups eating lunch in the garden, we recommend you bring all the food and drinks with you at the start of your scheduled tour.

### Alternative Drop-Off/Pick-Up Arrangements

Alternative arrangements can be made to accommodate accessibility and group needs. Please contact the Education Director ([education@zbgconservancy.org](mailto:education@zbgconservancy.org)) to request alternative arrangements for drop-off and pick-up.

### Stratford Road Closures

From Late September to Mid-October, Stratford Drive is closed. If you schedule a self-led or docent-led tour during this time, the Zilker Botanical Garden Education Director will contact you to create an alternative plan for drop-off/pick-up and parking.
